

Dan Eagle Bio 2018

Providence Sacred Heart Medical Center
Facilities Supervisor
101 W 8th Ave
Spokane, Washington 99204
Office 509-474-5095 Cell 509-435-5330

I have been employed at Providence Sacred Heart for over 11 years. The last 6 years as the supervisor in the plant department. I have over 38 years in the facilities maintenance trade. I have a WDM2 certification, and I am responsible for the Public Water System at Providence Sacred Heart in Spokane, Washington. Sacred Heart is a 644 licensed bed hospital and a Level II Adult Trauma Center, and the region's only Pediatric Level II Trauma Center
